Skills:

- ✦ HTML
- ✦ CSS
- ✦ SASS
- ✦ JavaScript
- ✦ React.js
- ✦ Redux.js
- ✦ REST APIs
- ✦ Node.js
- ✦ Express.js
- ✦ MongoDB
- ✦ Teamwork

I have completed several individual and group projects with the help of the GoIT Full Stack Web Developer program. During these projects, I utilized my knowledge of HTML/JS/SASS, practiced using React/Redux, and finally integrated them with my backend on Node.js and MongoDB database. This allowed me to expand my skillset and have the ability to execute all aspects of web development.
